

Art, life and the wisdom of Kūkai.

Contemporary Japanese art in bonji calligraphy, mandalas and life photography meets sound, film and dialogue. An exhibition or wider program shaped around your venue, purpose and audience.

Feel&Sense

Masahiko Hashimoto & Sayaka Hashimoto

Oku-shoin, Ninna-ji / Kyoto World Culture Forum 2026

Artworks: Feel&Sense / Life photography within artworks: Lennart Nilsson

Three forms of expression, brought together as needed

ART EXHIBITION

Encounter the artworks

Bonji, mandalas and life photography. Selection and arrangement are discussed in relation to your venue and exhibition conditions.

ARTIST TALK & DIALOGUE

Share the questions

Artist talks on Kūkai, life and a sense of worth in the age of AI. Conversations with speakers or participants can be included.

SOUND, FILM & STILLNESS

Experience resonance

Live voice and music, film, meditation or a quiet interval, shaped around the venue's sound and screening conditions.
